

Welcome

Welcome you to the Millaa Millaa State School web site and if you are new to the school, allow me to extend a warm welcome to you on behalf of the P&C. We are situated at the Southern entrance to the Tablelands and we enjoy a lot of rain, fog and drizzle. The eight grades at our little school are divided into three classes and we take pride in our ability to develop a sense of 'family' in the fabric of our community relationships.

Our school lives by its motto. We continue to strive towards the ideal of being a happy and safe learning environment for our children. We nurture the partnerships that we have established within our rural community and value heritage, family, community spirit, sense of belonging and morals as we do academic success.

One of our students is severely anaphylactic and we have strategies in place that minimise the risk of contact with nuts and nut products for that child. If you want to contact me the phone number is 40972167, the fax number is 40972157 and email is the.principal@millmillss.eq.edu.au. Thanks.
