- Enlist the services of a TRS teacher to use the marking scheme used by NAPLAN markers to set up simulated writing tests, assess and feedback to individual students and their teachers.
- Through the school's coaching policy, the principal will ensure that capability is assured using explicit teaching and differentiation.
- The individual student MultiLit Level and Word Lists are recorded daily and the data will be reviewed every 5 weeks to check for progress.

Our school will improve student outcomes by

- Hiring 2 teacher aides for 8 hours per week to extend the MultiLit program over 30 weeks. $10,000
- TA capability development through mentoring by experienced TAs. $200
